This country needs a revision of the tariff in the interest of the people, some trust busting, railroads property clothed, a supreme court which will not fly to the relief of the great corporations when a state passes a just law which gives them justice but does not permit them to rob the people.

Attorney General Hadley has gotten much advertising for himself but has done nothing for the people with the peoples money that he has spent as Attorney General.

For some months Monroe City's Commercial Club has been sleeping. The DEMOCRAT respectfully suggests that it be aroused from its slumbers for it is now day and there is much work to be done.

Are you doing your part toward making Monroe City a better and more beautiful city?

Our Republican friends have worked overtime to defeat Bryan for the Democratic nomination. They will now have a big job to keep him from being president. Bryan stands for justice to all. The great trust and monopoly magnates which do not want justice are leading the fight against Bryan

The people ask for that which is just and right; the trusts and monopolies ask for and receive, at the hands of our Republican friends, special favors which permit them unjustly to take from you and from me that which rightfully belongs to us and with which we have not consented to part.

Cowherd is running for Governor on his own merits, and Missouri Democracy will do well to make him its standard bearer. He is clean, able, fearless, and will strictly enforce the laws.

Bryan will be the next president—if the people vote for the best interests of the United States and her citizens. If on the other hand it is considered best that the trusts continue to rule and to exact unjust tribute from the people Taft will be elected.

The extravagance of the congress which recently came to a close is enough to retire the Republican party from power. It accomplished nothing for the people and has been justly termed a do nothing congress.

Stand for the rights of the masses and against the further encroachment of the trusts and monopolies upon the rights of the people.

Stone is the man who will honor Missouri by being her Senator. He can accomplish more for the people than any other man who could be selected.

As the wealth of a country concentrates in the hands of a few men the country grows weaker even though it may be increasing in wealth and population.

Will the people permit Boss Cannon to continue to rule this country for the trusts.

The people want Bryan for president.

Taft is the man who issued the first injunction against labor. Did he ever do anything to offend the capitalists?

Let the people rule. This can only be done by placing the reins of government in the hands of Democracy

A united Democracy will win.

Through investigation we find the following members of the Modern Woodman of America have been laid to rest in St. Jude and the Holy Rosary cemeteries of this city.

Lee Buell, William, Vanschoaik, W. R. Newell, F. S. Turner, Joseph Kendrick, A. Rohr, J. D. Elliott and A. H. Green.

Having found that the lists of the soldier, Mason and Odd Fellow dead of this city and vicinity resting in the St. Jude and Holy Rosary cemeteries was of considerable interest to some and becoming of historical interest, it caused us to make the last list.

Aftermath.

It will be remembered that some two weeks since, Tom Yates was badly injured by a flying bat slipping from the hands of Tom Montgomery.

The blow caused Mr. Yates to be unconscious for about 12 hours, broke some of his teeth and knocked out some and badly injured the front part of his upper jaw. Monday Drs. W. T. Rutledge and A. W. Miles took out a small piece of the upper jaw bone. Tom is now getting along nicely.

Having made a thorough investigation of the ice business, we find that when we wash and put in your ice box a nickel's worth of ice we absolutely lose money, so beginning

we will not wash and put in your box less than 20 lbs. of ice, but will deliver less amounts at your yard gate. Now don't ask us to do this as we will have to refuse. Trusting this will meet with your hearty approval, we are,
